LON SOLOMON’S
“Daniel, the Lions, and the End Times” Tour
MARCH 24 - APRIL 1, 2017
Victoria Falls Extension
APRIL 1 - 4, 2017

Without a doubt, one of the most well-known events in all the Bible is the story of Daniel in the lions’ den. The famous Baroque artist Peter Paul Rubens even created one of his most famous paintings in 1614 AD using this story as its subject. I have had many people ask me about doing a series on the end-times prophecies of the Bible. Of course, these are concentrated in the Books of Revelation, Zechariah, and Daniel. And since the Book of Daniel also has a very prominent chapter dealing with lions—I thought it would be cool to combine a trip to South Africa to actually see real lions with a Bible study on the Book of Daniel. We will cover all 12 chapters during the duration of the tour, bringing in data from the Books of Revelation and Zechariah to deepen our holistic grasp of what the Bible teaches about the Return of the Lord Jesus and the end of the age.

All my life, I have wanted to go to South Africa and take a safari. And to see Victoria Falls in Zimbabwe, the largest waterfalls in the world, first discovered by the great missionary David Livingstone in 1855. But I don’t want to go by myself! I want to take some friends along to enjoy it with me. And so--our very special spring tour for 2017! Also, I have become more gripped in recent days about the need for us as Christians to have a global outlook and to serve the poor and needy peoples of the world, especially children. In this regard, I am reminded that Daniel and his three friends were all orphans, taken into captivity by the Babylonian king Nebuchadnezzar in 606BC and brought to Babylon without their parents or any relatives that the Bible mentions. As orphans, they were all alone, but the Lord cared for them in a special way, as He loves to do for orphans, for whom He has a special love and concern. So we will spending a day ministering at a local orphanage just outside Capetown. I am very excited about this tour and I hope you will be too!
**Day 1: March 24, 2017**

We pack our childhood dreams in a suitcase as we head to JFK airport to embark together with our friends and our church family on a trip of a lifetime – to the amazing wonders of Africa.

**Day 2: March 25, 2017**

Praise the Lord as we look outside our aircraft window and see the breathtaking views of the Mt. of the Twelve Apostles. This stunning peak announces our arrival to one of the most beautiful and fun cities in the world: Welcome to Cape Town, South Africa. We arrive nice & early around noon, allowing us enough time to each choose our own version of R&R before dinner: Rest and Relax – or Run and Roll... Our hotel is situated in the best central location, in the very heart of Cape Town’s famous Victoria & Alfred Waterfront. “The Table Bay Hotel” was opened by the former President Nelson Mandela and offers the ultimate in 5-Star luxury accommodation in Cape Town, perfectly situated against the stunning backdrop of Table Mountain and the Atlantic Ocean and Robben Island, and is within walking distance of many points of interest. After this half day of free time in Cape Town, we’ll get together and enjoy a great dinner. Overnight at The Table Bay Hotel.
Day 3: March 26, 2017

Good morning Cape Town. Our hotel won the “Best Breakfast in Cape Town” award for its food & view, so be sure to come early and get a table with the spectacular views of the bay and ocean as the V & A harbor wakes up for its new day. After this great start, today we set out to explore the beauty of Cape Town.

Situated below Table Mountain, Devil’s Peak and Lion’s Head, Cape Town offers a rich cultural heritage, grand splendor and the famous V&A Waterfront. Including all the `must-sees` of any Cape Town day tour, this is a geographical and cultural extravaganza, showing you Cape Town, from its historical beginnings to the modern shopping malls of the Victoria and Alfred Waterfront. Commence with a tour of Table Mountain as we ride up the scenic cable car to the summit. Clean fresh air accompanies the uplifting view up here. Here, with the Mt. of the Twelve apostles in front of us, Lon will open the lecture series on the end-times prophecies of the Bible. Continue to the beautiful Camp’s Bay and take time to stroll around the cobblestone vibrant arty flea market, Greenmarket Square, where artists and traders from all over the African continent gather to offer their wide range of fabrics, art, beadwork, masks, jewelry, and more. Haggle around and get some bargains here while entertained by the street musicians and performers. Choose your Café and have a moment. We continue to the picturesque Bo-Kaap, the former township at the foot of Signal Hill, also known as the Malay Quarter. Then we’re back in our home-court, touring through the dynamic V&A Waterfront area. Originally constructed in 1860 by Prince Alfred son of Queen Victoria, and still a working harbor today, this vibrant pedestrian area has been recently remodeled and become the spot. As our hotel is conveniently located exactly here, you choose how much time you wish to spend at the watershed and its 450 shops, the open air authentic food market, the wellness center and boutique shops, the artisan walkway, and the various workshops & live entertainment. Rest of the day is at your leisure until our dinner together. Overnight at Table Bay Hotel Cape town.

Day 4: March 27, 2017

After another great breakfast we set out to a full day adventure to explore the southernmost tip of the Cape Peninsula. This is an awe-inspiring tour to the towering headland known as Cape Point. Magnificent beaches, breathtaking views, historic and picturesque coastal villages are to be seen along the way. The Cape Peninsula is one of the world’s most scenic areas and stretches from the city center to Cape Point.

We travel along the Atlantic coastline via Sea Point, Clifton and Camps Bay, stopping at a Llandudno look-out point before continuing to Hout Bay, a quaint village and fishing harbor with magnificent mountain views and beach.

Continue along Chapman’s Peak, one of the world’s most breathtaking coastal drives, to Cape Point and the Cape of Good Hope Nature Reserve, which has magnificent fynbos vegetation, birdlife, endemic antelope species and zebra, historic lighthouses and shipwrecks. Take out your map and stick a pin here as you are standing at the very point where the Atlantic Ocean meets the Indian Ocean. The first Europeans to discover this milestone “edge” of Africa were the Portuguese Bartolomeu Dias and Vasco De Gama, in their strife to establish direct trade relations with the far east (although Herodotus mentioned a claim that the Phoenicians had accomplished that much earlier). The opening of the Suez Canal in 1869 announced a shorter and much preferred route, but up until the opening of the Suez Canal this was the naval route to the far east. Interestingly, after years of being secondary and almost abandoned, this route is recently “back in business” as the price of oil has dropped so dramatically in the recent years that is becoming cost effective again to circle around the continent of Africa instead of paying high passage fees to the Egyptians at the Suez Canal (fee can reach almost a million $ per passage). The horizon is infinite here and the view is just amazing. A perfect spot for enjoying a bible teaching from Pastor Lon.
After lunch we go on to historic Simon’s Town, a village with charming Victorian architecture, a naval base and a large penguin colony at the beautiful Boulders Beach. Boulders Penguin Colony is home to a growing colony of the vulnerable African Penguin. Wooden walkways allow visitors to view the penguins in their natural habitat.

We then make our way to visit the well-known Kirstenbosch Botanical Gardens. Kirstenbosch is the most famous of the South African botanical gardens. When it was founded in 1913 to preserve the country’s unique flora, it was the first botanical garden in the world with this ethos. The garden is world-renowned for the splendor and diversity of the Cape Flora and for the beauty of its setting against the eastern slopes of Table Mountain.

After this exciting day all of us Magellans comfortably return to dock in the comfort of our hotel for dinner and overnight at The Table Bay Hotel, Cape Town.

Day 5: March 28, 2017

This is the day that the Lord has made - Let us rejoice and do good in it. After breakfast we change to some work clothes, as we will dedicate this day to serving the Lord: This is a day of missionary service as we help an orphanage just outside Cape Town. We are reminded that Daniel & his three friends were all orphans, taken into captivity by the Babylonian king Nebuchadnezzar in 606BC and brought to Babylon without their parents or any relatives that the Bible mentions. As orphans, they were all alone, but the Lord cared for them in a special way, as He loves to do for orphans, for whom He has a special love and concern. We will have our special activity here followed by a special teaching by Lon.

We then return to our hotel in Cape Town for our last dinner and overnight in this exciting city.

Day 6: March 29, 2017

As you enjoy the breakfast and the beautiful view, take time to reflect on what we have learned and encountered so far on this special journey. Then we say good bye to Cape Town and head to our next big adventure: The world-famous Kruger National Park, The Big Five, The Safari. We travel in comfort, as we have our own private plane, to take us north and bring us directly to the Kapama Nature Reserve in Kruger National park. (Most tour-groups fly to Johannesburg and then drive the people 6 hours in minibuses from there to the Kruger park. We have a private flight just for our group from Cape Town to Hoedspruit air strip nearest to our Kapama Safari Private Reserve).

After a 2.5 hours flight we arrive at the Kruger National Park. Check in at Kapama River Lodge and we saddle up in our open Land Rover Jeeps to dive into our first safari game drive. Thus starts our three days and three nights of pristine unforgettable nature & wildlife experience.
SAFARI: Days 6 - 9 (Afternoon of March 29, entire day of March 30 and March 31, and the morning of April 1, 2017)

Kapama Private Game Reserve is an African Eden. Sweeping across 13000 hectares of savannah and riverine forest, Kapama represents a piece of Africa as it used to be. With the mighty Drakensberg mountains in the distance and iconic Kruger National Park to the east, Kapama has distilled the finest wildlife safari offerings for the enjoyment of guests. As part of the greater Kruger area, vast herds of buffalo, elephant and antelope are resident on Kapama, along with plentiful predators. The reserve is a slice of wilderness paradise far from the madding crowd; a place of renewal and reconnection with the natural world. The iconic and most dangerous wild animals of Africa - the Big Five - are at home on Kapama, but so too are over 40 other mammal species and 350 different types of birds. Game drives and bush walks offer fascinating encounters with wildlife, but Kapama also offers guests unique African wildlife experiences. Guided personal elephant interactions give guests the opportunity to get personal with the elephants and to learn more about their behavior and natural habitat. It’s not only the wildlife encounters that are superb at Kapama - so, too, is the safari lodge. Vibrant Kapama River Lodge welcomes us to experience wild Africa in sumptuous style. Decadent African spa treatments at the Wellness Centre are other enticing offerings that encourage complete relaxation and enjoyment of the evocative surrounding environment. Yet, even without doing anything at all, Kapama’s air of natural calm will work its magic and renew your body and mind. Hoedspruit's Eastgate Airport is a mere 10-minute drive from the entrance to the reserve, and transferring to the lodge means game viewing right from arrival - so your safari starts even before check-in. All you need to do is sit back, relax and be enchanted by Africa.

Our program includes daily morning and afternoon game drives in open 4x4 vehicles in the Kapama Wildlife Reserve. Accompanied by an expert ranger-guide and a local tracker, we expect to encounter a diverse range of animal & bird species on game drives. Since this is a Big Five reserve, seeing lion, leopard, elephant, rhino & buffalo is very possible during safari in Kapama Private Game Reserve.

The day starts with an early wake-up call around 5:30am. Tea, coffee and rusks are enjoyed together before heading out at first light. While seeing big game is always exhilarating, there are many other smaller species that are also captivating, and birding enthusiasts will be delighted at the approximately 350 species of birds recorded on the reserve. Halfway through the game drive, there’s a stop for hot drinks and snacks, before returning to the lodge at around 9am for a full breakfast. Throughout the day, it’s likely to see wildlife around the lodge: antelope & monkeys, & even seeing some Big Five is also not uncommon.

After an amazing morning we gather in this beautiful setting and hear our daily Bible teaching from Dr. Lon. In the middle of the day, relax, sleep or book a treatment in the Spa. For the more energetic: Feel Africa underfoot on a guided bush walk with a highly trained game ranger. The experience offers an intimate encounter with nature & wildlife, and medicinal and other plants are identified en route. Our rangers teach walkers to track wildlife in the traditional way, using animal footprints and scat. Expert trackers are able to tell the gender of many animals just from their footprints. A bush walk through Kapama Private Game Reserve is a truly memorable and authentic encounter, and it’s included in the tour price.
At around 3:30pm, everyone gathers for a decadent high tea, before heading out with your ranger and tracker for the afternoon game drive through the reserve. En route, you’ll stop for a sundowner drink and will have a chance to stretch your legs as you watch the sun set over the distant peaks of the Drakensberg mountains. As darkness falls, the nocturnal animals of the bush come out. The skilled tracker will scan the landscape using a spotlight, which illuminates animals’ eyes. A variety of completely different species can be seen on the night drive back to the lodge. Arrival at the lodge is usually around 7pm, allowing time to freshen up before enjoying a sumptuous dinner.

Overnights March 29 - 31: Kapama River Lodge / Kapama Buffalo Lodge.

Day 9: April 1 2017

After the most inspiring three days of wildlife, nature, style and luxury, and after receiving heartfelt Biblical insight from Dr. Lon, today we will conclude our African adventure. But it’s not over just yet, as we will first head out for our last morning game-drive at Kapama Safari. We then return to the lodge and enjoy our late breakfast at this unforgettable location. Lon will give a closing teaching. We will make our way to the airport to start our journey back home. Arrive USA same date, with many magical moments, great images in our digital cameras and most important in our hearts. Farewell Africa, a dream that came true.

April 1 - 4, 2017
Amazing Victoria Falls Extension

Day 9: April 1, 2017

We travel in style, as we board our own private plane taking our group from Johannesburg South Africa to Victoria Falls Zimbabwe. After a short 1.5 hour flight we are ready to land at our exciting destination – so keep your eyes open and look out the window for the World Wonder known as the Victoria Falls. Quick ten minute ride and we are already checking in to our temporary home: the Famous Victoria Falls Hotel. We join a long list of Royal families, world leaders and celebrities that have had the joy of staying at this Classy establishment. Enjoy the fine gardens and the breathtaking views. Tonight we have dinner at the exquisite Livingstone Room. Overnight: The Victoria Falls Hotel.
Day 10: April 2, 2017

Today we start not too early, allowing us to enjoy the great breakfast & views. After breakfast it’s time for the Main Course: we go for a guided tour of the Victoria Falls. Described by the Kololo tribe living in the area in the 1800’s as ‘Mosi-oa-Tunya’ - ‘the Smoke that Thunders’ and in more modern terms as ‘the greatest known curtain of falling water’, Victoria Falls is a spectacular sight of awe-inspiring beauty and grandeur on the Zambezi River, bordering Zambia and Zimbabwe. A path along the edge of the forest provides the visitor who is prepared to brave the tremendous spray with an unparalleled series of views of the Falls. Different times of the year will provide completely different experiences of the Falls region. Peak flood season is around March and April and the full power of the falls can be experienced in all its glory. At this unforgettable location we hear a teaching from Lon about the great missionary works of David Livingstone, who “discovered” these immense waterfalls.

We return to our hotel, for time at leisure and rest. In the early evening, we go out to the “Boma Restaurant” for an unforgettable time. The Boma Restaurant dinner is a fun event where we get a good taste of the Safari flavors, sounds, scents, costumes music & dance. Boma specializes in a superb selection of traditional Zimbabwean dishes and is renowned for its lively atmosphere. Tuck into a four-course meal of mouth-watering starters from the kitchen, soup from the campfire, a substantial barbeque buffet served on cast iron plates with a selection of salads, followed by a choice of delicious desserts. Everyone’s tastes are catered for, and whilst the adventurous are enticed with local delicacies such as Mopani worms and game stews, do not worry as those wishing to enjoy beef, pork, fish and chicken or a variety of vegetarian meals are welcome to do so. Return to our Victoria Falls Hotel.

Day 11: April 3, 2017

This Morning is free for you to enjoy as ever you like. After breakfast, choose your R&R time: take a walk in the gardens or in nature, enjoy the charming Edwardian Pool, the fitness room, the beauty salon, Spa treatments, reading at the Buffalo Room, or at the café facing the Victoria Falls. You also can walk to town and shop for local art and crafts. This is the time for optional activities you might be interested in:

- Golf at the Elephant hills course, often visited by wildlife... or choose to see the magnificent Victoria Falls from a above in a helicopter ride, a canoeing trip in the Zambezi river, fishing safari, horse-riding safari, bird watching, or if you must – Bungee Jump off Victoria Falls bridge.

This afternoon we go for our Zambezi River Sunset Cruise. We sail and enjoy the beautiful surroundings, while tasting finger snacks and various drinks. Great photo opportunities with often-spectacular African sunsets. The Zambezi River is the largest African river flowing into the Indian Ocean. This 1,600 miles-long river rises in Zambia and flows through Angola, Namibia, Zambia, Botswana, Zimbabwe and Mozambique, where it empties into the Indian Ocean. The first European to come across the Zambezi was Vasco da Gama in 1498, at what he called "River of Good Omens". The first exploration of the upper Zambezi was made by David Livingstone between 1851 and 1853. Two or three years later he descended the Zambezi to its mouth and in the course of this journey discovered the Victoria Falls. After these magic moments we return to our Victoria Falls Hotel to the grand Livingstone Room for our last dinner.

Day 12: April 4, 2017

Good morning Victoria Falls. Enjoy the last breakfast at this unforgettable location. Today we will conclude our African adventure. We will make our way to the airport to fly back home.
